CENTRE FOR DISTANCE AND ONLINE EDUCATION (CDOE) (UGC ENTITLED)

Examination

Dayananda Sagar University (DSU) follows a structured and transparent examination system for all its Online Programs, fully aligned with the UGC (ODL Programmes and Online Programmes) Regulations, 2020

The evaluation is based on two components:

- **Continuous Internal Assessment (CIA)** – 30% weightage
- **Semester End Examination (SEE)** – 70% weightage

This helps students stay engaged throughout the course and perform well in the final exam.

Test Environment and Format:

Online Exams are conducted through a **remote proctored system** which allows students to take exams from **anywhere**. The **Safe Exam Browser (SEB)** ensures a secure environment for the Examination.

Before the exam, students complete a **multi-factor identity verification** using:

- Facial recognition
- Government-issued ID check
- Login through registered credentials

During the exam, the system uses:

- **Live video monitoring**
- **Screen recording**
- **IP tracking and time log review**

to maintain academic integrity. All activities are monitored and reviewed by proctors.

The exams include **objective and descriptive type questions** to assess the knowledge and writing skills. The system ensures a fair, flexible, and credible examination experience for learners.
